## STUDENT SUPPORT SERVICES

Dear Parent/Guardian,

The College may be eligible for Special Education funding through AISWA (Association of Independent Schools of Western Australia) to assist your child in accessing the curriculum. Alta-1 College will make an application to AISWA which requires supporting documentation (e.g. diagnosis and/or doctors' letters etc.). In accordance with the Privacy Act, we request your permission to transfer any relevant documentation about your child that may assist us in gaining funding approval.

If your child has previously attended an Independent School in Western Australian and that school received Special Education funding for your child the previous funding application details relating to your child (including points allocated and supporting documentation) may be held by AISWA. In this event, according to the Privacy Act, AISWA needs your permission for funding points and documentation to be transferred to Alta-1 College. The funding is imperative in Alta-1 College's provision of appropriate support for your child.

Thank you for your cooperation in this important process. We look forward to working with your child to achieve his/her personal best.

## MEMORANDUM OF AGREEMENT

1. I/we acknowledge that the Alta-1 College program is designed to provide a full-time development and education program under the *School Education Act (1999)* (and any amendment to successor legislation).
2. I/we acknowledge that I/we are jointly and severally liable for all fees and charges stated in each school account relating to the child covered under this application, payable upon receipt of invoice. Arrangements can be made to pay these fees and charges on a weekly basis. I/we agree that if I/we are unable to pay the college tuition fees and charges in full by the time determined that I/we will contact the finance office to make alternative arrangements.
3. I/we acknowledge that the college board may refuse re-entry of the student into Alta-1 College if any fee remains unpaid for a period over 30 days from when it is due and there is no agreement in writing in place with the finance officer to repay the fees by installments.
4. I/we acknowledge the Christian basis of Alta-1 College. I/we understand that while students are never forced to adopt a particular belief and value system, the Alta-1 College program is delivered from a predominantly Christian perspective. I/we consent to my/our student receiving Christian instruction and, if consented to by my/our student, receiving and/or participating in prayer.
5. I/we irrevocably indemnify Alta-1 College and its representatives against all claims in cases of unforeseen personal injury, or loss of any personal property, at any Alta-1 College site or during any approved activity, including camps, excursions and work placements.
6. I/we understand that due to the unique nature of the Alta-1 College Recovery Curriculum, all students will be placed on individualised Documented Plans, written against their chosen educational pathway, within the following contexts:
  - Middle school curriculum will focus on the development of literacy and numeracy skills with Personal Recovery, constructed around thematic units of study;
  - Senior school students can opt for either a Work readiness pathway built around literacy, numeracy, Personal Recovery and VET certificate, or WACE pathway. Courses offered contribute to the achievement of the Western Australian Certificate of Education (WACE), but do not generate an Australian Tertiary Admission Rank (ATAR – university entrance score).
7. I/we consent to Alta-1 College and its employees administering medication or obtaining medical treatment for the student in the event of an emergency or accident.
8. I/we understand that as part of Alta-1 College program there will be times when staff will take groups of students on impromptu excursions. The excursions may contribute to the educational program or be used to assist in creating a sense of connection with the students. Such excursions may be to places such as a fast food restaurant for a treat and a chat, or to sites of more explicit educational value such as a museum. As such, I/we give permission my/our child to participate in such excursions and for staff with the appropriate driver's license to use school (and on rare occasions, private) vehicles to transport my/our child.
9. I/we understand that as part of the Alta-1 College educational program, from time to time staff members will screen movies and DVD's carefully chosen for their contribution to the program which, at times, may carry an M, or on rare occasions an MA rating, for which I/we give my/our permission for my/our child to view.
10. I/we understand that Alta-1 College offers a voluntary Student Therapeutic Services program, as detailed in the Parent Handbook. I/we give permission for my/our child to participate in this program, on the understanding that I/we can withdraw this permission at any time by contacting the Alta-1 College office.
11. I/we understand that from time to time my student may have interaction with Alta-1 College staff members outside of school hours through mentoring, church, youth group or other such events. I understand this interaction is purely voluntary. I also understand in such hours of interaction Alta-1 College staff members may drive my student either in a private or Alta-1 College vehicle, at which times it will be expected that Alta-1 College staff members continue to abide by relevant Alta-1 College policies.
12. I/we accept that if my/our student fails to demonstrate satisfactory progress in the program a panel will meet to discuss our future in the Alta-1 College program, and we agree to accept and not challenge in any way the decision of the panel as to whether we are to be permitted to remain involved in the program, the conditions under which my/our student will be permitted to remain, or whether my/our student is required to cease all involvement in the program.
13. I/we confirm that all information provided regarding my/our child's enrolment is accurate and complete, and all relevant documents have been provided in accordance to the checklist. I/we understand that failure to provide accurate and/or complete information may render this Memorandum of Agreement null and void.
14. I/we have read, understood and agree to abide by the above conditions of this Agreement. I/we consent to all approvals of this application.

Dear Parent/Guardian,

Thank you for entrusting Alta-1 College with the education of your child/dependent.

The funding for Alta-1 College is a shared responsibility between the Commonwealth and State Governments, parents and the College. The commitment and continuing financial contribution of parents/guardians is greatly appreciated and is essential to help fill the gap between the amount of government funding received and the cost of running the college.

Please find attached:

- Direct Debit Request form

Since 2015, school fees have remained unchanged. However, due to ongoing cost increases, we need to review these for 2020. This will ensure that the College remains financially viable and the fee increase is commensurate with cost escalations incurred by the College.

I am pleased to advise that the fee increase for 2020 has been set at a modest 1%. The 2020 fees will therefore be set as follows:

- Classroom Education
  - \$2,626 per annum without direct debit
  - \$1,616 per annum with direct debit or one lump sum payment
- Connect ED
  - \$1,616 per annum without direct debit
  - \$808 per annum with direct debit

Parents with Health Care/Pension Cards receive a 50% discount on fees including the direct debit rates, however the office needs a copy of your current Health Care/Pension Card; If your Health Care/Pension Card has **EXPIRED** or any of your details have changed, please contact us to update our records. Newly enrolled students are invoiced/commence direct debit payments upon completion of the transition program. For information on the Direct Debit Request Service Agreement, please visit [www.alta-1.com.au](http://www.alta-1.com.au) under the Quick Links section.

It is important to note that financial hardship should not prevent any young person from attending Alta-1 College and no young person will be denied an Alta-1 College education because of a family's genuine inability to pay the required school fees. This does not only apply to eligible Health Care/Pension Card holders as all families experiencing financial difficulty are entitled to fee assistance.

Application for fee assistance can be made in writing to:
